- ▶ Andrea & Tim Walters on the loss of Luna, Select Quercus Incandescent 12/8/04 - 5/23/09. "Our little Luna died sometime during the night, unexpectedly, suddenly, & peacefully. We don't know why, but the vet suspects pulmonary embolism, as there were no signs of her being ill prior to her death. She was so young & appeared healthy. She was the only surviving daughter of our Querk, who at nearing eleven is healthy & still silly. It is a sad, hard day in our house. Everybody give their kids a little extra hug for me and Luna..."
 - ▶ Cheryl & Art Silver's Katie Ruth is gone. "She was such a sweet good girl. She so adored her family & close friends. Her tolerance of Hank's antics is the stuff of legends. She put up with all of his impertinence like a saint. She was an angel. She had her 14th birthday Jan. 1st, 2009."
 - ▶ Kathryn Ladick on the passing of Buddy, at 9 years old.
 - ▶ Lisa Voss' cat Spot has "Run Free." Gone on June 29th.

▶ The Takaras & Andrea Stone on the loss of Feargus. "On April 23rd this year Feargus, Ch Saorsa Cu Chulainn, passed away. Feargus was from my first litter & my first homebred CH. In the end it was lymphoma that took him. His "dad", a veterinarian, knew what lay ahead & they opted to save him from suffering through bowel cancer & potential treatment options. Feargus passed at home with his family around him at 11 yrs., 4 months old. I miss you, Feargus."
